

Cir. No. 10/2015-18

Dated. 21.11.2015

To

All General Secretaries of the Circles,

We have already circulated a brief note on recommendations made by the 7th Central Pay Commission. The entire Central Govt. employees are totally disappointed and dissatisfied with the adverse recommendation of the 7th CPC. The National JCA of Central Govt. Employees in its meeting today has unanimously decided to fight back immediately against the adverse and retrograde recommendation. The NJCA has decided to observe "**BLACK DAY**" by holding massive demonstration, wearing black badges on 27th November, 2015. Format of the Black Badges is given below.

As per call of NJCA and acknowledged by the Confederation of Central Govt. Employees, I request you to observe "Black Day" with wearing black badges and holding lunch hour demonstration in each building of Income Tax Department all over the country.

The Circular of NJCA is attached herewith.

With regards,

Sincerely yours,

Rupak Sarkar,

Secretary General

**WE PROTEST AGAINST THE MOST
RETROGRADE RECOMMENDATIONS OF THE
7TH CPC AND DEMAND THE GOVT. TO
NEGOTIATE AND REVISE THE MINIMUM
WAGES**

ITEF National secretariat congratulates the employees and officers for the magnificent demonstration of unity and struggle by participating in the one day strike on 2.09.2015. Once again the officers and employees of IT department under the banner of JCA could register cent percent participation, a feat unprecedented in the annals of the movement of employees anywhere. In the background of the situation in which ITGOA had taken decision to take part in the strike only a few days back, the strike participation must be recognized as the symbol of the unity and the high degree of confidence the members have reposed in the leadership of ITEF and ITGOA. No doubt this is the manifestation of militancy of ITEF and ITGOA and the result of the yeomen efforts of the leaders of both the organizations. It is with great pride that we record that we could align with the entire working class in the country in their struggle to force the present Government to put a brake on the accelerated pace of the economic reforms and anti people policies. As was the case with the three ordinances on land acquisition enactment made to please the corporate masters, which had to be rescinded in the face of the stiff opposition of peasants and working people, We are confident that the Govt. will have to drop the proposed labour code very soon.

While all of us can be proud of our endeavour and achievement on 2nd September 2015, we must remember that Department specific issues are begging settlement for quite a long time presumably due to our not exerting the requisite pressure on CBDT. How is it to explain away the inordinate delay in effecting promotion to the Cadre of Asst. Commissioners, the only cadre to which promotion was not effected, except to the unquestionable fact that the IRS officers wanted to ensure that the promotee officers do not get the benefit of cadre restructuring. They wanted the ITGOA and JCA to agree to the proposal of pegging down the number of promotions in a year to the number of directly recruited officers, a system developed decades back in violation of the recruitment rules and got demolished by the JCA in 1990s. Similarly, the ongoing squabbles on Recruitment Rules regularization of casual workers, recruited in utter disregard to the opposition of ITEF and rules and norms for which the commissioners alone are answerable, the continuing outsourcing of Departmental functions etc. are issues which ought to have found settlement long time back. The views expressed by our comrades in the ITEF CWC meeting and later at the JCA meeting were commendable and were in consonance with the ethos and ideology with which a Trade Union must function. The 2nd September Strike emboldens us to go ahead with determination to carry out the next strike in October 2015. Undoubtedly it shall be a grand success and shall lead to settlement of our burning issues

Under Organisational issues the situation arising out of the Lucknow Incident was discussed. We are enclosing herewith a brief note on the incident that took place in the office at Lucknow on 31.3.2015. The house registered its strong protest against the way the Department handled the issue. Since the incident took place in the office premises, in spite of the repeated pleading by the JCA, the Administration has not taken any serious steps to bring about a conducive atmosphere for restoring normalcy in office and to cause discussion with the authorities in the Central Bureau of Investigation. The Officials including the leaders of the ITEF and ITGOA and their family members are living in a horrified atmosphere. In view of the above situation, the Secretariat decided to extend full support to the members and leaders of Lucknow Charge.

After the Secretariat meeting, the JCA meeting was held at the same venue. The JCA mainly discussed two issues viz. the Lucknow incident and inordinate delay in holding the DPC for ITOs to AC for 2014-15 and supplementary DPC for remaining vacancies of 2013-14. On the issue of Lucknow, JCA unanimously decided to hold the demonstration programme under the banner of the JCA against the lethargic attitude of the Administration in the matter and to stand in solidarity with the members and leaders of the JCA in Lucknow Charge. Accordingly the Secretariat appeal to all the Circles to hold Lunch Hour demonstration on **6th May, 2015** in solidarity of the leaders and members of JCA of Lucknow Charge.

On the second issue of already delayed promotions to ITO to AC and other Group B & C cadres, diversion of posts lying vacant in Inspectors for want of eligible candidates in Stenographer cadre and finalisation of Recruitment Rules as per report of the Sub-committee etc. The JCA decided to hold Lunch Hour Demonstration on **14th May, 2015.**

The Secretariat also decided to vigorously peruse with the authorities all other pending issues and important issues drawn after discussions in the XXIX All India Conference at Guwahati.

All the Circles are required to carry out the above two programmes under the banner of JCA at all places. The JCA circular is being sent separately.

With greetings,

Yours fraternally,

Brief note over the incident that happened at the premises of Income tax office, Lucknow on 31.3.2015.

The limitation for completion of assessment proceedings under the I.T. Act normally expires on 31st March, every year. Due to this stipulation 31st March is almost 24 hour working day in Income tax Department with cent per cent attendance of officers and Staff. 31st March, 2015 was no different and Lucknow offices of the I.T. Department were functioning in full swing.

CBI seems to have planned to execute a vigilance trap were on 31.03.2015 of an Income tax Officer, who appears to have indulged in the corrupt practice of demanding money for doing favour from an assessee. Besides the officers and employees, the office was crowded with a number of assesses, their authorised representatives, Chartered Accountants and their Assistants and many others on the crucial day. The CBI did not however, deem it necessary to inform of their plan to the Head of the Department or to any other Senior officers of the Department either after the execution of the trap or thereafter.

Some of the employees who were not aware of the CBI plan for effecting a trap mistook their action as manhandling of one of the officers, who had the assessment charge, by the assessee or his henchmen. Having heard of the unsavoury incident, quite a number of employees and other visitors to the office assembled in front of the chamber of the concerned officer. The CBI Inspectors on seeing the assembly of a sizeable crowd in front of the room of the officer locked the same from inside which unfortunately gave birth to further fury and anger to the assembled crowd of people. They attempted to push open the door under the mistaken impression that the assessee and his henchmen were manhandling the officer. It was only when the local police reached the spot, the real picture emerged and the crowd got disbursed immediately, who were assembled in anxiety to protect one of their colleague officers.

Thereafter the CBI filed an FIR against the officers and employees of the I.T. Department alleging that they had been indulging in obstructing the CBI to carry out its legal functions. The local police took immediate cognisance of the FIR filed by such a prestigious organisation, the CBI and began to arrest and harass the employees especially at the lower levels and the Union leaders, whose names were taken from the Name board placed in front of the Union office. The actions pursued by the local police under the influence exerted by the Senior officers of the CBI. It must be stated unambiguously that the commotion and chaos in the office on 31st March, 2015 was due to the mistaken identity.

In the background of the above mentioned facts, it would be clear that the incident was the product of mistaken identity. In the circumstance, it is prayed that the appropriate direction may please be issued to CBI to bring about an amicable settlement to this issue.

Cir. No. 3/15-18

Dated: 27th March, 2015.

Dear Comrades.

Oral evidence before the VII-CPC

The VII-CPC has given a meeting to the Income Tax Employees Federation for presenting oral evidence on the demands canvassed in the JCA Memorandum on Departmental Issues. Accordingly, to day, the 27th March, 2015 the following representatives of JCA tendered evidence before the VII-CPC at 10.30AM.

Com. Ashok Kr. Kanojia, President, ITEF,
Com. Rupak Sarkar, Secretary General, ITEF,

We, while thanking the VII-CPC for giving us the chance for this presentation, reiterated that on all common issues, we fully endorse the memorandum submitted and evidence tendered by the JCM Staff side. Further we confined to the following issues specific to the Departmental personnel.

1. Pay Scales of Income Tax Officers: We pleaded to maintain the parity of scales of Income Tax Officers and similarly placed Officers in the Audit & Accounts Department, as the parity existed till the VI-CPC has been disturbed in the recommendation and implementation of the VI-CPC report. The similarly placed Officers in the Audit and Accounts Department are now placed in PB-2 with grade pay of Rs. 5400 while the Income Tax Officers are placed in the same pay band with grade pay of Rs. 4800/- for no ostensible reasons. The Commissions response to this was appreciative and positive.
2. Pay Scales of Inspectors: Our submission was mainly to maintain the parity of scales with the Inspectors in IB and CBI which was prevalent till 5th Pay Commission. The same was disturbed by awarding a higher pay scale to the Inspectors in IB & CBI by V-CPC. Though after 2004, the same was restored by the Government, the restoration was not considered by the VI-CPC. Again the parity was restored by the Government on our persistent efforts. Therefore, we pleaded to recommend the same pay scale for the Inspectors of Income Tax which is proposed to be awarded to the Inspectors of IB & CBI. The Commission assured us that the present parity will not be disturbed.
3. Tax Assistants: Our submission was that till V-CPC, UDC/TA in the Department was on the same pay scales as that of Auditors/Accounts in IA& AD and other Accounting organisations. From 2003, much after the implementation of the V-CPC report the pay scale of the Accountants/Auditors who are recruited by same agency with same examination are provided a higher pay on their postings to the Audit and Accounting organisations while others posted in the Department of Revenue are placed at a lower pay scale. We urged that the pay of the Tax Assistants in the IT Department may be given the same placement scale that is being proposed for Auditors/Accounts in IA&AD. The point was well taken by the commission.
4. Notice Servers: Being an uncommon category in the Department akin only to the Postmen in Postal Department, we urged the Commission to maintain the parity with the pay scale proposed to the Postmen in the Postal Department. The commission indicated a positive note.
5. Staff Car Drivers: Our submission for merger of SCDs in the Department with the mainstream cadres as on the policy of the Government, a large number of drivers are vehicle less and unoccupied was not initially agreed on technical ground that the Department or the Government should take a decision. On our further submission, the Commission indicated to make a reference of this point too.

Once again the representatives thanked the commission and urged to consider all the submissions made by the JCM staff side on pay and allowance and service conditions.

With greetings,

Yours fraternally,

(Rupak Sarkar)
Secretary General.

Accordingly, to achieve the minimum target fixed for ITEF, we request you to ensure minimum number of participants from each circle as indicated below.
