Comrades, to defeat the anti-worker and anti-people policies of the NDA Government, maximum unity of the working class is the need of the hour. Only through a united struggle of the entire working class of the country these policies can be halted. Confederation being an organisation which is in the forefront of all struggles against the neo-liberal policies and also being the one and the only organisation which is continuously fighting for the demands of the entire Central Govt. employees and pensioners, has an added responsibility to make the struggle of the entire working class a grand success. An alternative policy is possible and only the working class can lead the struggle for an alternative policy and save the workers and also the common people of our country. Let us be proud to be part of such a patriotic struggle.

### **2. Towards 50th Anniversary of 1968 September 19th historic one day strike of Central Government Employees:**

2018 September 19th (next year) is the 50th anniversary of 1968 September 19th strike. Before independence and after independence, the Central Government employees had conducted many strikes. But 1968 September 19th strike is written in red letters in the history of Indian Working Class. It is because that the strike had raised the demand for a scientific wage revision based on the Need Based Minimum Wage formula approved by the 15th Indian Labour Conference held in 1957. Central Govt. employees fought for the demand of entire working class of India ie. Need Based Minimum Wage. The ruling class of India understood that if the demand of the Central Govt. employees is accepted, all other section of the working class including those in private sector shall go on struggle for implementation of Need Based Minimum Wage to them also and ultimately it will result in changing their pro-capitalist

economic policy itself, which they never want to change. The ruling class let loose all destructive forces and repressive measures at their command to crush the strike. The Central Government employees had to pay a heavy price -seventeen (17) comrades had been brutally murdered by the ruling class. In addition 40000 suspensions, 64000 termination notices, arrests, imprisonment, chargesheets, heavy punishments, transfers etc. Even today, the Central Government employees and other sections of the working class are on struggle path demanding Need Based Minimum Wage.

To make the beginning of the 50th anniversary of the historic strike, this year's Martyrs day on 19-09-2017 should be organised in a befitting manner at all places by hoisting flags, paying homage to martyrs etc. Before the 50th anniversary day on 2018 september 19th, seminars, honouring of those who are victims of the 1968 september 19th strike etc may be organised at all important centres. The details of other programmes to be organised in connection with the 50th anniversary will be decided in the next National Secretariat meeting of the confederation to be held at Mumbai on 10-01-2018.

### **3. All India Women's Trade Union Workshop.**

**The meeting decided that the names of those National Secretariat members who are continuously absent from the National Secretariat Meetings for more than 50% meetings, without any valid reason, need not be considered for election as National Secretariat members to be elected in the next National Conference of Confederation.**

2. **7th CPC related issues - Review of agitational programmes organised by Confederation and the present position of the various demands raised in the charter of demands - Future course of action.**

The National Secretariat reviewed various agitational programmes independently organised by Confederation viz: Massive Parliament March on 15-12-2016, one day nationwide strike on 16-03-2017, Mass Dharna organised in front of Finance Minister's Office on 23-05-2017, Human Chain of Central Govt. employees on 22-06-2017 and Burning of the HRA orders on 25-07-2017. It is reported by all National Secretariat members that the employees and pensioners had participated in large number in all the above programmes.

The Government has already implemented Revised Pay Scales, Revised Allowances and Revised Pension based on 5th CPC recommended parity formula for pre-2016 pensioners. The assurances given by Group of Ministers on 30-06-2016 regarding increase in Minimum Pay and Fitment formula still remains unimplemented. Govt. has not considered the demand to restore HRA rate to 30%, 20% and 10% and implement it from 01-01-2016. All revised allowances are implemented prospectively from 01-07-2017 thereby denying arrears from 01-01-2016. The Option-I parity for pensioners recommended by 7th CPC is rejected by the Government, instead 5th CPC recommended parity is extended to all pre-2016 pensioners. The "very good" bench mark condition imposed for grant of MACP is not yet modified. Even though NPS Committee constituted by Govt. for streamlining NPS has submitted its report to Government, its recommendations are still not made public. The demand for withdrawal of Contributory Pension Scheme and guaranteeing minimum pension (50% of the last pay drawn) is still pending. All other demands raised in the confederation and NJCA charter of demands are also remaining unsettled.

Unfortunately, inspite of the totally negative attitude and non-honouring of the assurance given to NJCA by the BJP-led NDA Government, the dominant leadership of NJCA is not in favour of reviving the deferred indefinite strike and no serious agitational programmes was organised after 6th July 2016 (i.e. after deferring the strike) under the united banner of NJCA, which compelled the Confederation to demarcate and organise independent struggle programmes as mentioned above including one day nation-wide strike.

The National Secretariat meeting took note of the above situation and decided to request once again the Railway Federations which are leading the NJCA as Chairman (NFIR) and Convenor (AIRF) to chalk out serious agitational programmes including strike under the banner of NJCA. Confederation National Secretariat strongly felt that to make the Govt. to honour its assurance on Minimum Pay and Fitment formula,

to grant enhanced rate of HRA from 01-01-2016, to get Option-I parity implemented for pre-2016 pensioners, to modify the retrograde bench mark condition for MACP, to scrap NPS and ensure guaranteed minimum pension, to settle the justified demands of Gramin Dak Sevaks and Casual, Contract Workers, a united indefinite strike under the banner of NJCA (Railway, Defence & Confederation) is the need of the hour.

In the absence of a united struggle under the banner of NJCA, the Confederation National Secretariat decided to organise the following agitational programmes in a phased manner.

1. Mass dharna at all District headquarters demanding settlement of modified charter of demands of Confederation on 19th September 2017 (Tuesday).
2. Mass dharna at all state capitals on 17th October, 2017 (Tuesday).
3. Three days massive relay dharna in front of Parliament from 9th November to 11th November 2017 along with Central Trade Unions.
4. Indefinite strike in 2018 jointly along with Central Trade Unions. (Date will be finalised by the Central Trade Unions and independent Federations including Confederation).

All affiliated organisations and COCs are requested to make the above programmes a grand success. As the NDA Government is aggressively implementing the neo-liberal policies in all sectors, it is our responsibility to join hands with the entire trade unions and unitedly resist the onslaught. **If the Govt. is not ready to change its destructive policies, the workers have no option but to embark upon a prolonged struggle jointly with the suffering common people of our country, to change the Government.** It is in this background Confederation National Secretariat decided to join with the 3 days mass dharna at New Delhi and indefinite strike. In the meantime, if NJCA meets and take decisions for any agitational programmes, confederation shall implement the programmes of NJCA also. Modified charter of demands of the Confederation is also enclosed herewith.

3. **2017 June 10th National Convention of Central and State Govt. Employees (Confederation and All India State Government Employees Federation) on "NPS & Outsourcing" - Review and implementation of the decisions taken by the National Convention.**

The National Secretariat decided to implement the following decisions of the 2017 June 10th National Convention on "NPS & Out sourcing" jointly organised by Confederation and AISGEF. Confederation C-O-Cs should contact the AISGEF leaders of their respective states and chalk out detailed plan for implementing the decisions. Large scale participation of employees on behalf of Confederation should be ensured in all the programmes:

1. State level joint conventions by 31-08-2017 (date may be extended if required).
2. District /Taluk level joint conventions before 31-10-2017.
3. Mass Joint dharna at all important Centres including State Capitals on 21-11-2017 (21st November 2017 Tuesday).
4. Raj Bhavan March (Date will be finalised later).
5. Nationwide campaign Jathas covering all states. (Dates to be finalised later)
6. Massive Parliament March (date to be finalised later).

4. **(a) WFTU-TUI meeting at Kolkata on 2017 October 9th & 10th and (b) Asia Pacific Regional meet and World Secretariat meeting of Trade Union International (TUI) Public Services at Thiruvananthapuram on 2017 September 11th & 12th.**

## **7. Holding of a special convention/meeting of Autonomous body employees organisations and Autonomous body pensioners organisations.**

The National Secretariat discussed the situation arising out of abnormal delay in revision of pay of Autonomous body employees and also non-issuing of orders for revision of pension of autonomous body pensioners by the concerned Autonomous bodies/Administrative Ministries. In the case of Autonomous body employees, eventhough the Finance Ministry has issued orders extending the 7th CPC pay scales to autonomous body employees on 13-01-2017, the orders are not implemented in 95% of the autonomous bodies due to the stringent conditions imposed by the Finance Ministry. In the case of Autonomous body pensioners, the stand taken by Finance Ministry and Pension Ministry is that they will not issue any orders for revision of pension or grant of Dearness Relief to Autonomous body pensioners. Earlier during 5th CPC and 6th also they have not issued any separate orders, Once Govt. issues orders for revision of pension and grant of dearness relief to **Central Govt. Pensioners**, it is upto the autonomous bodies to issue orders based on that orders, in consultation with their Administrative Ministries. But no Administrative Ministry has taken action for revision of pension and grant of dearness relief to Autonomous body pensioners. In short a serious crisis has developed regarding revision of pay scales of Autonomous body employees and Revision of Pension and grant of dearness relief to Autonomous body pensioners.

In the view of the above it is decided to convene a special meeting of all Autonomous body employees organisations and Autonomous body pensioners organisations to discuss and decide future course of action. Date and venue of the meeting will finalised shortly.
