No.JCA/2017-18

Dated, 21st February, 2018

To
The Chairman,
Central Board of Direct Taxes,
New Delhi

Respected Sir,

Sub :- Scarcity of Fund in field offices – Allotment reg.

With reference to the cited subject, we would like to state that every year the field formations receive additional budget grant on submission of revised estimate in the month of December/January. However, in this financial year, no additional fund has been provided to the field offices even after submission of revised estimate in time. In view of non-receipt of additional budget grant especially under the Medical all the offices across India are facing acute shortage of fund to meet the requirement under this head. We would further like to inform you that in many charges the Daily Paid Casual Workers are not receiving their wages for more than 4 - 6 months. The charges are NWR, UP(East), UP(West), Bihar, WB & Sikkim, NER, AP & Telengana, MP & Chattisgarh, Rajasthan and TN & Pondichery where payment are not being made.

We would therefore, like to request you to look into the matter and kindly to issue necessary direction so as to ensure that additional budget grant be made available to all field formations (Budgetary Authorities) under the above heads at least to meet the requirements for payments to Daily Paid Casual Workers and Medical bills to address the problems being faced by officers & staff.

Your kind intervention is solicited in the above-mentioned issues.

Thanking You,

Yours sincerely,

(Amitava Dey)
